

27 October 1999

**Subject: The extra-ordinary general meeting of subsidiary company has passed a resolution to issue THB debenture in total facility not excess THB 4,000 mn.**

We would like to inform you that Acumen Company Limited, a wholly own subsidiary company of Jasmine International Public Company Limited, has passed a resolution in the extra-ordinary general meeting No. 2/2542 held on 26 October 1999 to issue the THB secured or unsecured debenture in total facility not excess THB 4,000 mn. The debenture can be totally or partly offered at one time or several times to the public and/or private and/or local and/or foreign investment institutes depended on the market at the issuance and offering date. The debenture life will be not excess ten years. The details of the debenture will be later considered by Acumen's Board of Directors or the person assigned by its Board of Directors.
